

Forked Mountain

Distances (approximate):

Trailhead to Forked Mt Falls = 0.75 mi

Forked Mt Falls to Twist Cascade = 0.75 mi

Twist Cascade to Forked Mountain peak = 1.0 mi

Forked Mountain to trailhead = 0.75 mi

Remember: *Since there is no trail; distances depend on your exact route. Route may be affected by choice of destinations, creek water levels, density of brush, etc.*

Cautions:

The route shown includes four creek crossings. These can be challenging in high water.

The approach to the peak involves a climb of 700' in less than half a mile; scrambling over rocks.

This is a difficult climb.

Trailhead Directions:

North on AR Hwy 7

Turn east on FR 86 (off AR 7, 7.2 mi north of OT)

Go 4.7 miles to FR 793.

Turn right; go 0.7 mi to end of road (gate). Both roads are marked with FR markers.
